

Immunic is an exciting place for fresh ideas – apply now and become part of our team!

We are always looking for talented and energetic people to support our **clinical development operational team** in Gräfelfing/Munich. Immunic welcomes open applications from clinical professionals with different levels of experience (Clinical Trial Assistant, Associate Clinical Study Lead, Clinical Study Lead, Global Clinical Study Lead and Clinical Operations Program Lead). Interested applicants are encouraged to contact us with a CV and motivation letter. More detailed information per function is available upon request.

Our team is truly international!
We welcome specialists from Ukraine to support our programs.

What you can expect:

- A full-time position in an international, highly motivated team dedicated to our company values
- A fair salary according to your experience and expertise
- Participation in the success of our company
- A highly innovative and motivated small team where you can rely on your colleagues
- Cross-functional work experience as well as flat hierarchies
- An attractive office with parking space and public transport connections to Munich city center
- State-of-the-art IT support, incl. own MacBook and iPhone

Please send your meaningful application by email to jobs@imux.com.
