

Immunic AG is a Nasdaq-listed, value-driven and dynamic biotechnology company with a pipeline of selective oral immunology therapies located in Gräfelfing (near Munich). We are developing new therapies with best-in-class potential for the treatment of chronic inflammatory and autoimmune diseases.

Currently, we have three small molecule products in different stages of clinical development. For further information, please visit www.imux.com.

Immunic is an exciting place for fresh ideas – apply now and become part of our team!

We are looking for a

Financial Controller (m/f/x)

for an unlimited full-time position in order to reinforce our Gräfelfing/Munich based team. You would be working in a team with our Head of Finance as well as our Associate Finance Manager.

In particular, you would

- Be responsible for project controlling and forecasting processes of our clinical trials
- Be the main finance contact for our clinical trials teams and be responsible for the project reporting
- Manage the accruals of the clinical trials with respect to our quarterly financial statements
- Support us in quarterly closings of our legal entities in Germany and Australia
- Support us in quarterly Group Consolidation and NASDAQ filings
- Monitor controls in our internal control system
- Correspond with external auditors
- Help us with the improvement of our processes and systems

Here is how to convince us:

- You have a Bachelor's or Master's degree in Business Administration / Accounting / Finance
- You bring 1 – 3 years of hands-on work experience in the area of Financial Controlling / Project Controlling / Accounting
- You can structure your work well and drive processes independently. You are always solution-orientated, and you have the ability to synthesize large quantities of complex data into actionable information
- Very good Excel skills
- Knowledge of German GAAP (HGB) and/or US-GAAP
- Very good written and verbal communication skills in English
- You enjoy working in a small as well as dynamic international team

What you can expect:

- A full-time position in an international, highly motivated team dedicated to our company values
- A fair salary according to your experience and expertise
- Participation in the success of our company
- A highly innovative and motivated small team where you can rely on your colleagues
- Cross-functional work experience as well as flat hierarchies
- An attractive office with parking space and public transport connections to Munich city center
- State-of-the-art IT support, incl. own MacBook and iPhone

Please send your meaningful application specifying your salary expectations as well as the earliest possible starting date by email to jobs@imux.com.
